

Follow the instructions below to create your own flag bunting.

When you are finished, why not share a picture of your creation to our social media page?

You will need...

Paper
String
Glue
Colouring pencils/ pens

Step One

Cut a piece of A4 white paper in half to form two rectangles. Colour in your flag design.

Step Two

Turn the flag over. Add a line of glue to the very top of your flag.

Step Three

Add the string to your glue and then fold a small line of the paper over the string to hide it.

Step Four

Repeat as many times as you like to make your bunting longer and longer.
